POSITIONS HELD AT TEACHERS COLLEGE, COLUMBIA UNIVERSITY

Associate Adjunct Professor & Supervising Coordinator of Student Teaching -Teaching as Applied Behavior Analysis, (Fall, 2009- Present)

Class: Student Teaching Practicum- Teaching as Applied Behavior Analysis
 (HBSE 4704 Section 1, 2, 3 and 4)

Class: Teaching Students with Disabilities in the Regular Classroom (Spring 2010)

Class: Working with Families of Students with Autism (Summer 2010-Present)

Class: Curr/Ped. Operationa Functional Academic Literacy (Spring 2011- Present)

Adjunct Professor, (Spring 2006- Summer 2009)

Class: Student Teaching Practicum- Teaching As Applied Behavior Analysis (HBSE 4704 Section 1 and Section 3)

Class: Working with Families (Summer 2009)

Class: Teaching Students with Disabilities in the Regular Classroom (Spring, 2009 and Summer, 2007)

Class: Single Case Design-Doctoral Course (Spring, 2006)

Teaching Assistant, (2003-2005)

Professor: R. Douglas Greer, Ph.D.

Classes: Applied Behavior Analysis I and II

- Responsibilities included collaborating with professor, facilitating class presentations, recruiting course assistants, organizing/proctoring exams, assisting graduate students with coursework and advising students individually when requested.

Teaching Assistant, (Fall 2002)

Professor: Denise Ross, Ph.D.

Class: Curriculum and Methods for Educating Students with Behavioral Disorders

- Responsibilities included assisting/collaborating with the professor on lectures, organizing/researching course materials, mentoring graduate students with coursework, grading exams/papers, and facilitating course presentations

Course: Introduction to Autism

PROFESSIONAL CONSULTATIONS

Consultant, (Fall 2009- Present), Morris School District, *Morristown, NJ*

Description: Supervise several general education Accelerated Independent Learner (AIL)

CABAS® Classrooms (Pre-K through middle school) and special-education classrooms.

Responsibilities: Develop research based inclusion criteria, behavior plans/supports, procedures and protocols to serve students (range of disabilities and students at risk in Title I school) in least restrictive settings in conjunction with district administrative team. Create curricular objectives across core subject areas that are aligned with Common Core State Standards. Serve as member of research team of the faculty for programs in Applied Behavior Analysis at Teachers College, Columbia University. Implement research based tactics, curricula and program development that contribute to the research on the science of teaching in inclusive and general education settings. Supervised 20 PhD students (lead teachers in district) and 110 MA students (teaching assistants in district) in the program.

Consultant, (Fall 2008- 2018), Hawthorne School District, *Hawthorne, NJ*

Description: Provide monthly supervision to a variety of Applied Behavior Analysis programs (Elementary and Pre-K).

Responsibilities: Worked collaboratively with behavior analytic staff and administration

developing research-based procedures and plans for special education and inclusion settings. Included staff development training and program development for students with a range of disabilities and students at risk. Reviewed and assisted with specific behavior plans and functional behavior assessments. Provided expert assistance with litigious cases within the district.

Consultant, (Summer 2005-2018), *Faison School for Autism, Richmond, VA*

Description: Educational consultant for a school that serves children diagnosed with autism ages 3- 16 years of age.

Responsibilities: Assess pre-school age children across a range of repertoires for the development and implementation of programs and objectives. Complete staff trainings on verbal behavior protocols and tactics in behavior analysis. Develop curricular objectives and plan across a range of grade levels.

Supervisor, (Summer 2005-2011), *Park Ridge School District, Park Ridge, NJ*

Description: Supervisor of a home program for a 12 year-old boy diagnosed with autism.

Responsibilities: Developed and oversee home instruction. Administer assessments and educational programs. Consulted in students' school program as well as related services. Responsible for intense training for teachers in applied behavior analysis and conduct monthly workshops, which include a variety of topics on the principles of behavior and research based tactics.

Supervisor, (Fall 2002-2009), *Private, New Milford, NJ*

Description: Teacher/Supervisor for a 14-year old boy diagnosed with autism.

Responsibilities: Implement a home program in applied behavior analysis. Conduct parent education and the training of additional teachers.

Supervisor, (September 2004- 2005), *CABAS® Home Program, New York, NY*

Description: Supervisor of a home program for a 3 year old diagnosed with autism.

Responsibilities: Development and implementation of home program, which included assessment and the development of quality programs for this student. Training of teachers and coordination of services for this child. Facilitation of staff meetings. Overseeing of parent education.

Teacher, (Summer 2002-2003), *CABAS® Home Program, Riverdale, NY*

Description: Teacher of a home program for a 5 year old by diagnosed with autism.

Responsibilities: Implemented home program, which included continuous data collection and assistance in the coordination of the child's programs

POSITIONS HELD AT THE FRED S. KELLER SCHOOL

Assistant Director (Fall 2005 to 2008), Rockland Campus

Description: Supervised the daily functioning and development of the school for children diagnosed with and without developmental delays. School began in 2005 for students with and without developmental delays with 8 students and left at full capacity with 50 students.

Responsibilities: Provided hands-on instruction for students, teachers, and teacher assistants using applied behavior analysis. Interacted with county and district officials. Completed administrative tasks associated with position including but not limited to hiring of staff. Served as member of the CABAS® Research Team of the faculty for Programs in Applied Behavior Analysis at Teachers College Columbia University. Supervised 5 PhD students over 3 years in doctoral internships and research for Programs in Applied Behavior Analysis at Teachers College Columbia University. Supervised 12 MA students over years in MA

Teaching as Applied Behavior Analysis internships and ABA research for Programs in Applied Behavior Analysis at Teachers College Columbia University

Consultant (Summer 2003 to 2006), Yonkers Campus

Description: Classroom Supervisor/parent educator of home program

Responsibilities: Coordinator of home programs for a pre-school age children diagnosed with autism. Responsible for the organization and development of the students' home programming in conjunction with parental education. Supervision and training of teachers on the team.

Supervisor, (Summer 2003), Yonkers Campus

Description: Supervisor of 4 pre-kindergarten classrooms (one classroom, early instruction)

Responsibilities: Instructed teachers, oversaw program implemented, facilitated data collection and attendance and coordination of staff meetings.

POSITIONS HELD AT THE BOARD OF COOPERATIVE EDUCATIONAL SERVICES (BOCES), Nyack, NY

Valley Cottage Elementary School, (September 2003-2005)

Description: Student teacher/teaching assistant in CABAS® classrooms with students diagnosed with autism (grade K) and emotional/behavior disorders (8-9th grade).

Responsibilities: Extensively collaborated with head teacher regarding lesson plans and data collection throughout the school day. Interpreted and implemented the New York State standards into behavioral objectives for 7th grade science and math education. Aided in student assessments, organization and implementation of daily programs for students.

OTHER RESEARCH EXPERIENCE

Research Associate - St. Francis Medical Center, Center for Education and Drug Abuse Research (C.E.D.A.R.), University of Pittsburgh. *Pittsburgh, PA* (Summer 2000-2001)
Federally Funded Research Grant through the National Institute on Drug Abuse

Research Assistant - Learning Research and Development Center, Department of Cognitive Psychology, University of Pittsburgh. Pittsburgh, PA, (1997-2000)

Research Assistant - Department of Cognitive Psychology, State University of New York. Stony Brook, NY, (Summer, 1999)

GRADUATE STUDENT SUPERVISION

Teachers College, Columbia University, New York, NY

Coordinating Teacher (Fall 2002- 2005)

Description: Mentor/Coordinating Teacher for over 40 graduate students working towards their MA/Ph.D. in teaching as applied behavior analysis in the applied and research setting.

Responsibilities: Mentor students through a series of modules to be completed and submitted to the university CABAS® board for certification, which includes contingency shaped behavior in the classroom, verbal behavior about the science, and problem solving. Observe and ensure the delivery of adequate instruction in the classroom setting. Instruct on assessment and curricula development procedures, including accurate selection of research based tactics. Supervise research plans/projects and assist in implementation and execution, including coursework completion. Serve as first author in papers, in which I direct data collections and serve as editor of papers for the graduate level courses and conference presentations.

Paper topics: Include but not limited to -listener immersion, inducing tacts to decrease palilalia and increase generalized mands and tacts, writer immersion, self-management, goal setting, personalized system of instruction, schedules of reinforcement, multiple exemplar instruction, peer tutoring, observational learning, generalized imitation, conditioning, visual tracking, peer-editing, and verbal immersion.
