July 2022 Newsletter

Dear Colleagues,

Hope your summer is going well! Over the past few months, we have been working to strengthen our research ties to Columbia University through meetings with members of CU's Office of the Executive Vice President for Research. We are planning a networking event for TC and CU faculty to be held on **October 6 from 3:00 to 4:30 pm**. Stay tuned for a "save-the-date" email for more information.

As a friendly reminder, the Office of the Vice Dean for Research provides **grant writing coaching and consulting supports** to faculty. See the ["Internal Funding Opportunities"](#) section below.

Also, please note the **National Academy of Education and Spencer Foundation dissertation and postdoctoral** funding opportunities in the ["External Funding Opportunities"](#) section under foundations. Thirty-five fellowships (\$27,500 each) will support young scholars whose dissertations show potential for bringing fresh perspectives to the history, theory, or practice of education anywhere around the world. Click [here](#) to learn about current NAEd/Spencer fellows, one of whom is [Corinne Kentor](#), a Ph.D. candidate in the Anthropology & Education Program in TC's ITS Department.

Have an enjoyable and productive rest of the summer!

Announcements from Offices Supporting Research@TC

Institutional Review Board (IRB)

Full Board protocols are reviewed once a month, except for August. The Full Board will not meet in August. The Board will reconvene in September. Less than 5% of TC's IRB applications require review by the Full Board. Most Full Board protocols come out of the programs in Clinical Psychology, Biobehavioral Studies, and Health and Behavior Studies. [If you are in one of those departments, or you wish to have a protocol reviewed in July, please submit your materials early.](#) All exempt or expedited review category IRB protocols will be reviewed on a first-come-first-served basis.
